By default Proposal will have the status as pending. Secretariat Dept . Can update either Sanctioned, Rejected or not related. The updated status will be automatically updated in Secretariat Dept. dashboard as well as Agency's (ACB/Lokayuktha) and Vigilance Dashboards also.

If the concerned Competent Authority doesn't fall within jurisdiction of secretariat department that has received the PSO proposal then "Not related" option may be uploaded. For this explanation remarks nothing why the proposal is not related needs to be entered compulsorily. Once "Not Related" status is updated then the PSO Proposal goes back to the agency (ACB/ Lokayuktha) that has sent the proposal. ACB/ Lokayuktha again needs to verify and send the proposal to the correct Competent Authority manually and send the proposal to the correct secretariat dept to which that Competent Authority belongs to on this application.
